Shelby Hollis Receives BJSJL Scholarship

The Bermuda Junior Service League is pleased to announce that Shelby Hollis is this year's recipient of its annual C. Vail Zuill scholarship.

The Mount Saint Agnes graduate will receive a \$5,000 scholarship which is offered by the Bermuda Junior Service League in honour of its founder Mrs. C. Vail Zuill.

Scholarship Committee chair Amy Adderley said: "We had an outstanding group of applicants this year and are pleased to reward Shelby with this year's scholarship."

Shelby attends Dalhousie University in Halifax where she is majoring in Psychology.

"The League wishes Shelby all the best next year as she pursues her degree," continued Mrs. Adderley.

Mrs. Zuill, who passed away this year, founded the Bermuda Junior Service League over 70 years ago. The annual scholarship is awarded on the basis of academic achievement, strong character, demonstrated leadership qualities, demonstrated commitment to civic and community service and financial need.

The league also made a financial contribution to past scholarship winner Samantha Ruberry. Samantha has been active in league activities and was selected by league members for this award.
